Let's Go Guatemala & Belize: The Student Travel Guide

Synopsis

Welcome to Guatemala and Belize! Let's Go style. Our team of intrepid student researchers traversed these two countries from head to toe, braving the gnarliest jungles, climbing the highest peaks, and tasting cup after cup of the finest coffees to bring you the most complete coverage of their Central American treasures. Get ready to volunteer at a school in rural Belize, snap pictures of iguanas in a Guatemalan jungle, and snorkel in the Caribbean Sea. Just don't fall into the Blue Hole; unless you want to, in which case Let's Go Guatemala & Belize will tell you exactly where to jump. Let's Go publishes the world's favorite student travel guides, written entirely by Harvard undergraduates. Armed with pens, notebooks, and a few changes of underwear stuffed in their backpacks, our student researchers go across continents, through time zones, and above expectations to seek out invaluable travel experiences for our readers. Let's Go has been on the road for 50 years and counting: We're on a mission to provide our readers with sharp, fresh coverage packed with socially responsible opportunities to go beyond tourism.

WE will be going down to Belize to see our daughter in the Peace Corps. This book has provided answers to many questions I had about that country.

Solid real travel information. Concise and to the point. These folks have been here on the

ground. Know the real story before you go and let them guide you while you are there.
