Customer Reviews

Jack Moeller is retired from Oakland University after many distinguished years of excellence in teaching. He continues to be involved in the revision process of DEUTSCH HEUTE and KALEIDOSKOP to ensure the quality and integrity of the program. Winnie Adolph teaches at Florida State University. Her experience enables her to provide creative learning activities for the text and Internet. Barbara Mabee recently retired as Professor of German from Oakland University. Her expertise in poetry and contemporary literature has been invaluable in the selection of materials. She has written the introductions to the authors and the activities that accompany the literary texts and poems. Simone Berger, formerly an instructor at Tufts University, has returned to Germany. She provides invaluable input for authentic readings, realia, and contemporary German language.

This book was delivered in amazing condition. I use it for my class, and is very useful, I recommend this to anyone studying German.
