# **Minecraft: Diary Of A Dorky Zombie: The Dorky Steve Minecraft Diary Adventure Begins... (Unofficial Minecraft Book (Minecraft, Minecraft Secrets, Minecraft ... Books For Kids, Minecraft Books, Diary 1)**

## Synopsis

In this first hilarious book of Minecraft adventures we meet a fun and likable Minecraft zombie, sure he's a little dorky but aren't we all? Get to know this typical zombie and see what the Minecraft zombies do when Steve isn't around. You'll be really surprised to find out what goes through a zombie's mind on a typical day. So hurry up and read this book to find out. This hilarious and heart warming story is the first in a series from someone who also loves Minecraft! It is a must read for anyone who plays Minecraft and especially for kids 7+ who can't wait to get more Minecraft on a daily basis!

## Customer Reviews

This is my 2nd minecraft diary book. My son loves them. I already went and purchased 5 more, because I know he will love them too. I hope they make a bunch more. They are actually quite cute stories and I love reading them to my son.

Dishwashershbsbd the movie tube and furious sings the movie tube and furious sings the movie tube and furious with the full movie home full story of water English is the full movie tube and furious sings the first time in the full movie home and furious sings the movie tube and furious at least one is muffin time and Funny how to make aston

Wow. Wowowowowowowowowowowowowowowow. Why are there so many scammers on . This is one of the most commen one, stealing someones name. "Cubic Kid" has stollen Cube Kids name. Shame on you. Besides, the book is very short, is not "100% fun" in any way, has a horrible plot, and ended with a sad cliff hanger which never had another book in the series, even though there is currently no series for this book. And this book was published about half a year ago. And made by about six authors, and somehow is still horrible. Pretty much the only good thing about this book is that it has Kindle Unlimited. Still, this book shoud be for free since its horrible! Here is a list of my favorite minecraft authors on : 1.Cube Kid (the real one) 2.Winter Morgan 3.Steve the noob (although he is not a noob) 4.Crafty Nicole These are the best minecraft series on . All readers should check 'em out!---Dude89

Bad first it copied of cube kid THEN they had the worst book ever even with 8 or 9 authors. AND the names omg the worst names ever the main charecter name was urrrrghhhh like really acully try with names. another name was witchie the witch REALLY REALLY REALLY ok bye now dont read its not worth it.

this author probalbaly created this name and then found out about cube kid this iz wht most likely happened in my oppinion

Guys, just stop it. the Cubic Guy author is jus in the middle. if you dont believe me,

look-ÃfÆ'Ã â Ãfâ Ã Â». Cube Kid Cubic Guy>< = no resemblance ||| \_ = space C-C | U-U | B-B | I->< | C->< | \_- \_ | G->< | U->< | Y->

whyg do people steal cube kids ideas??? JUST BECAISE HES A GOOD AUHTHOR DOSENT MEAN YOU CAN STEAL HIS NAME!!!hurr...sad facemr stigggy says bye :(

This book was written by SEVEN authors. You would think that then it would be good, right?WRONG.This book was written with a terrible plot, and most of the book didn't make sense.Buy if you have nothing to do with your life.
