A.D. The Bible Continues: The Revolution That Changed The World

Synopsis

The greatest revolution of all time was about to begin.... When Pontius Pilate ordered the crucifixion of Jesus Christ, he thought he was putting an end to the Jewish uprising that had been threatening the authority of the Roman Empire. What Pilate didn't realize, however, was that the real revolution was just getting started. Based on the epic NBC television event, *A.D. The Bible Continues: The Revolution That Changed the World* is a sweeping biblical narrative that brings the political intrigue, religious persecution, and emotional turmoil of the book of Acts to life in stunning, vibrant detail. Beginning with the crucifixion, New York Times best-selling author and Bible teacher Dr. David Jeremiah chronicles the tumultuous struggles of Christ's disciples following the resurrection. From the brutal stoning of Stephen and Saul's radical conversion to the unyielding persecution of Peter and the relentless wrath of the Jewish authorities, Dr. Jeremiah paints a magnificent portrait of the political and religious upheaval that led to the formation of the early Church. Complete with helpful background information about the characters, culture, and traditions of the era, *A.D. The Bible Continues: The Revolution That Changed the World* is not only a riveting, action-packed audiobook but also an illuminating exploration of one of the most significant chapters in world history. Get ready to witness history unfold. The revolution has begun!

Best Sellers Rank: #49 in Books > Audible Audiobooks > History > Ancient #54 in Books > Christian Books & Bibles > Bible Study & Reference > New Testament > Biography #181 in Books > History > Ancient Civilizations > Rome

Customer Reviews

A friend and I listened to the audio book (checked out from Cracker Barrel) on a road trip and liked it so well I bought the book. This book covers the meaning of the Cross and subsequent Book of Acts, the first 11 chapters covering fascinating aspects of places, people and events. It details miraculous

happenings at the beginning of Jesus' Great Commission to the Jews, Samaritans and Gentiles. Characters like Paul, Peter, Stephen, Barnabas, Philip, and the woman Dorcas were expressed in fresh terms to me. Also, the narrative moves effectively from what happened in biblical times to the present importance of listening to the Holy Spirit and being "led" by the Holy Spirit. Topics like community, hospitality, socialism and serving are dealt with from a Christian perspective with scriptural examples including past and present people. This book has inspired me to follow Jesus more closely.

Shipped promptly and was as described.

I loved the series and reading this book really added to the experience. It has great background and has so much additional information on the cultural aspects that we as modern day [americans] don't know about that really add to a better understanding of the period and additionally what it means for us now. I highly recommend this book!

Excellent movie. Not entirely Biblical, but in the telling of the story, where there are no specific detail, some detailed must be imagined. Of course we all enhance stories that we tell. However, they did a good job getting the overall story told.

Dr. Jeremiah has done a wonderful job in breaking down the book of Acts. It has helped me to see what it was like in the first Church, and the growth of the gospel. Can't wait to read the next part.

I enjoyed this! Throw the CDs in the car and listen while driving. At first, I was disappointed it wasn't narrated by Dr David Jeremiah but after the 2nd CD ... I was good. :)

Dr. David Jeremiah is very gifted in how he is able to bring the Bible to life. The book of Acts is exciting and he tells how it relates to us today. A.D. is an excellent source of information.

our book club is using this book with weekly lessons, will be really good for our group well written and engaging
