## Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This is a great book for anyone who likes Ladino music and songs, and it makes the songs very accessible for the even the beginning guitar player/vocalist because the song versions are simplified, but still totally in the spirit of the original. the variety of songs is another great asset in this book. I was glad to find "Los Bilbilicos", "Paxaro d'Hermozura" and "A la Una", together with other classics like "Cuando El Rey Nimrod" and "Scalerica de Oro" all in the same publication.

Brings back the fond memories of my great-grandparents. Priceless to see the old folks sing along while they're still around.
