The primary goal of First Book is to work with existing literacy programs to distribute new books to children who, for economic reasons, have little or no access to books. In this way, First

Book effectively leverages the heroic efforts of local tutoring, mentoring, and family literacy organizations as they work to reach children who need help the most. My 4YO has been starting to read a little more and he is of course on a superhero kick. We had been looking for books that would be suitable in terms of complexity and storyline and we too, a chance on these. He loves these books. There is plenty of reading work and challenge in the books but the storylines are gentle enough that he's not too put off by them. There is a fairly big jump between level 1 and 2 books but this worked out well for us

Cute little pack of books, my first grader loves them! He has to sound out some of the words, but perfect level for him!

Level 2, I Can Read books are perfect for my 4/5 year old boys. Perfect length for a bed time story and story that makes sense.

Kids loved it

Good books, they make my little boy excited about reading I don't even have to ask him to read he is eager to do so.

The kids eat these books up! They have been great for our summer reading.

Just right for encouraging my son to read. He can read well but hates reading. He loves super heros and when I bought these he read them all!!

kids love them....
