# Hebrews (Catholic Commentary On Sacred Scripture)

## Synopsis

Well-respected New Testament scholar and popular speaker Mary Healy unpacks the Letter to the Hebrews, making its difficult and puzzling passages accessible to pastoral ministers, lay readers, and students. Her commentary shows how Hebrews reveals the meaning of Christ's death in light of the Old Testament figures, rites, and sacrifices that foreshadowed it. Healy explains that Hebrews, when fully understood, transforms our understanding of who God is, what he has done for us, and how we are to live as Christians today.

## Book Information

Series: Catholic Commentary on Sacred Scripture

Paperback: 320 pages

Publisher: Baker Academic (August 16, 2016)

## Customer Reviews

"Dr. Mary Healy has a way in her books of skillfully presenting Scripture and the Church's teaching in a clear, accessible, and engaging manner. In her commentary on the Letter to the Hebrews, she brings rich insight, depth, and understanding to this ancient teaching on how the perfect sacrifice of Jesus--the divine high priest who is also one of us, sharing in our human frailty--has definitively achieved our redemption and eternal salvation. Dr. Healy's commentary is a masterful treatise that offers significant assistance to those of us who seek to better know our faith as we make the journey toward the heavenly kingdom amidst all the struggles of the human condition."--Cardinal Donald Wuerl, Archbishop of Washington

"In the New Testament the Letter to the Hebrews is a work of singular theological richness. Dr. Mary Healy has provided an accessible and insightful commentary, beneficial to seminarians, priests, and laypeople alike. The truths of the Sacred

Scripture touch the very core of our lives, and this work, like the others from the Catholic Commentary on Sacred Scripture, makes it possible for more of the faithful to experience the life-transforming power the Word offers them."--Allen H. Vigneron, Archbishop of Detroit

"This superb commentary contains an ideal mix of academic and devotional content, admirably fulfilling the series' goal of presenting 'scholarship illumined by faith.' Mary Healy's solid exegesis wonderfully leads us into the exceptional theological richness of Hebrews. Especially noteworthy are the 'Reflection and Application' sections, the numerous sidebars, and the enrichment provided by quotations from the Church Fathers. This is a commentary not merely for the mind but for the nurture of one's spiritual life. I recommend it enthusiastically!"--Donald A. Hagner, Fuller Theological Seminary

Mary Healy (STD, Pontifical Gregorian University) is professor of Sacred Scripture at Sacred Heart Major Seminary in Detroit, Michigan. In 2014 she was appointed by Pope Francis to a five-year term on the Pontifical Biblical Commission. She is the author of several books, including *The Gospel of Mark in the Catholic Commentary on Sacred Scripture*, for which she serves as coeditor.

This book methodically goes through the Scriptural text of Hebrews using New American Bible Revised Edition but carefully noting other translations as well where their English meaning may differ. This book is for most people, lay person and scholar. As a theologian I was pleasantly rewarded with a comprehensive (cross referenced with other books of the bible as well as the apocrypha) scholarly work that more than satisfied me. It also contains connections and descriptions written in terms that most lay people can understand. Further, it contains a number of sidebars, strategically placed in the text, as a method of reflection or analogy to discern the text of scripture Dr. Healy is explaining. One difficulty about Sacred Scripture is that translations most often do not capture the puns, idioms, foreshadowing, and other literary mechanisms authors habitually use to relate to their target audience. Dr. Healy's literary criticism helps the reader discern what the Koine Greek author of the 1st century is telling his audience and the anagogical meaning for us today.

Can't go wrong here. It's Healy. I've also listened to her a few times on the radio. She has a gift for making complex theological points simple to understand. Good choice here.

Once again Mary Healy has written an insightful, scholarly, yet approachable study.

This book goes deep and Mary Healy explains it so well that it is a joy to resume reading each time I pick up my kindle. My copy has so many highlights that I look forward to a future reading of just the highlights.

Beautiful gift.

This is an excellent reference book and really not made to be read like a regular book.

Excellent commentary! Answered all my questions about the book of Hebrews.

A wonderful book helped me so much
