The Kolbrin Bible

Synopsis

The Kolbrin Bible dates back 3,600 years and offers unique and enlightened insights from the past to both challenge and affirm our present day beliefs. This 2-part, 11-book secular anthology is nearly as large as the King James Bible. The first six books are called the "Egyptian texts" and were penned by Egyptian academicians following the Hebrew Exodus. The last five books are called the "Celtic texts" and were penned by Celtic priests following the death of Jesus. Several accounts describe an object in orbit around our sun called the "Destroyer," which the Celtic authors call the "Frightener." According to recently translated Sumerian texts, this object (also known as Nibiru or Planet X) is in a 3600-year orbit around our sun, and The Kolbrin Bible warns us of its imminent return and of yet another Biblical tribulation. [DOI: 10.1572/kolbrin] 2nd Edition Book Features: Published for scholars. The 596-page print edition features ample margins for notes and typesetting that is easy on old eyes. All editions feature the Kolbrin Citation System by Marshall Masters. Designed to speed multi-format collaborative studies between researchers and authors. Over 1,600 typographical corrections based on the Chicago Manual of Style. Its verbiage remains faithful to the original work. First-ever index with over 2,700 entries. (Print and Adobe eBook editions only.) PART 1: The Egyptian Texts (Books 1-6) DESCRIPTION: Following Pharaoh's defeat at the hand of Moses, the Egyptians searched the Middle East for clues to the one true G-d of Abraham. What now survives of that noble effort comprises the first six books of The Kolbrin Bible. OTHER EDITIONS: An abridged edition, the Egyptian Texts of the Bronzebook is also available in print and electronic editions from Your Own World Books. [DOI: 10.1572/kolbrin.bronzebook] PART 2: The Celtic Texts (Books 7-11) DESCRIPTION: A historical treasure trove of ancient Celtic and Druid folklore, philosophy and mysticism. Penned by Celtic priests in the first millennium CE, it includes a never-before published biographical sketch of Jesus Christ with several first-person quotes by Jesus, himself. OTHER EDITIONS: An abridged edition, the Celtic Texts of the Coelbook is also available in print and electronic editions from Your Own World Books. [DOI: 10.1572/kolbrin.coelbook]

Customer Reviews

very enigmatic.

It was great thanks

I wanted this book for a long time but it was way too expensive so I waited. The cost was very reasonable.

Very different and interesting manuscript

Awesome

Too large but will start on it shortly!

I initially purchased the Kolbrin Bible due to the interest I have in the returning of Planet X in 2012, and thought that this Bible would be a good source of information to previous passings of Planet X. But upon reading this Bible, I have found so much more. History is always written by the winners, and with this Bible, you get the stories without the pride, and one sidedness of today's more standardly accepted Bibles. This has been an enlightening read into previous civilizations, (written by the Egyptians, and the Celtic people following the great flood, and the Exodus), and in it you find many references to their contact with alien life forms, and learn many secrets of these civilizations that modern science poo poo's as "superstition", or "mythology". In all mythology lies a truth, and here you get to relive these tales, and gain a spiritual understanding that is not all wrapped up in any particular religion, or religious tunnel vision. I greatly suggest that anyone interested in Egyptology, or the general study of past civilizations, and the coming of Nibiru, Planet X, look into

this book, as it offers insight into all these topics, as well as countless others. This is the other side of the story in a sense, to what we now call the Holy Bible. At the very least, contrast and compare.

I have been looking for a copy of this book for years. I cannot wait to complete the entire book. I intend to sit down and try to take it all in this summer. It is a great source of knowledge from the past. Add it to your library.
