NEPHEW TO NIECE (Crossdressing, Feminization)

Synopsis

A few years before Steve's auntie passed away, she married Mel, an extraordinarily wealthy man. Now, Mel's only been given a few months left to live, and with no immediate relatives, everyone's wondering who's going to get the big inheritance. Steve decides to throw his hat into the ring, showing up one afternoon on Mel's doorstep, but Mel's memory isn't so good, and he doesn't remember having any nephews. But that doesn't deter Steve. He's determined to get into his Uncle Mel's will, even if it means dressing up like a girl and pretending to be one of Mel's beloved nieces.

Customer Reviews

Nephew to Niece, by Nikki Crescent was a story so sad about the greed of money. It did have a good ending.

Great story, starts off a little low but gains serious momentum and a perfect ending. I highly

recommend this short story.
