Synopsis

My daughter's babysitter just asked me to take her virginity - and it's screwing with my head. The reasons I can't f*ck Jessica: She's my employee. She's a virgin. She's twenty one. I will only want more and more. Saving lives for a living is what I do. But running a medical practice and being a single dad means my life is chaotic. I needed a babysitter and I got so much more than I bargained for. I want her so f***ing bad, but I'll have to keep my d*ck in my pants. Maybe there's a reason we met. I'm seeking funding to research a cure that will change lives. And the head of the philanthropic organization will only support married couples. Taking Jessica's virginity is a bad idea but faking a marriage isn't. I just hope I've got the self-restraint to pull this off. *** This is a Full-Length STANDALONE Fake Marriage & Virgin Romance Novella, with extra steamy bonus content included! an HEA and NO CLIFFHANGER. ***

Customer Reviews

What an enjoyable read! Matt is a single dad, a doctor, and needs a nanny for his 6 year old

daughter. Jessie is out of college but is struggling to find a job. The perfect match. Sparks fly! She's his savior until a near tragedy strikes. Can they get past it? This one will tug at your heartstrings. A feel-good love story, well worth the read! I voluntarily read an ARC of this book.

I enjoyed this contemporary romance and was entertained and engaged from start to finish. I liked the instant attraction and chemistry between Dr. Matt McCormack and his nanny, Jessica Larson. I also liked the dynamic between Jessica and Matt's six-year-old daughter, Anna. This is a sweet read. I voluntarily reviewed an advance reader copy of this book.

Stories that keep you excited how hot these stories are! All bad boys, with an erotic twist! Never read this author before! But I could possibly get another of her stories.

Great read I just couldn't put it down just loved the story and the fantastic characters were just amazing there is nothing I didn't like about this read

Got so tired of the "f" word and such characters are way to hard to believe. At first it wasn't too bad.

I loved everything. Chapter by chapter, book for book it was hot excitement and so much love in the air I couldn't put the book down

Loved this book! It had all the juicy parts of a great romance and the beach scene with the daughter was a unique part that isn't something you see everyday :) Really enjoy Aria Ford and looking forward to her next one!

A sexy hot amazing read. I loved how it got straight to the point, would recommend if you want a quick sexy story.
