His Property (Book Three)

Synopsis

Whips. Chains. Punishments. These are my world now, ever since gorgeous billionaire Liam Rutherford pushed me into the back of his expensive black SUV, forcing me to live with him at his fancy penthouse apartment in New York City, holding me as collateral for my father's gambling debt. He claims I don't have to do anything I'm not comfortable with. But that's only because he's convinced he'll be able to break me down, to make me beg for his whips and chains, his rules and punishments -- and all the other twisted, filthy things he's into. His chiseled abs, his intoxicating smile, his tongue pushing past my lips, his nails digging into my back. They're making me lose my mind. I am a slave to his every desire, his every want, his every wicked whisper. The need for him rages inside of me, even as it makes the humiliation scorch my veins from the inside out. He says he's beyond saving. But I'm going to do my damnedest to try. Before he breaks me completely. "I need you to know that I'm not going to hurt you." "You already hurt me." I showed him my wrists, where the metal of the handcuffs had dug into my skin. He reached out and ran his fingers gently over the faint red marks. "This is nothing," he murmured. "I haven't even gotten started yet."

Customer Reviews

I love this story but wish it didn't take so long to get the next installment. This author writes beautifully and seductively and keeps the story going with little tid bits of information throughout.

Another great continuation of a super hot story, I didn't stop read till I was done...emery n Liam are off the chain...

I simply love this book series and this authors books, addicted to this series so bad love Emery & Liam things just keep getting more and more intense.... Ready for Book 4 Hannah Ford !!!!! I've read all 3 of the books in this series the same day i've bought them can't stop reading till i finish, ready to see what happens next, what is Liam hiding ?

I love your characters your story lines and all however why can't you write or even publish something that is longer. I'm going to start waiting till all books are out in your series before I purchase another one of your books. I would rather pay one lump sum then spend even more money on these little books.

Great reading hurry up with the next one you're too slow

Good book. Ready for the next one...

I can't wait for Book 4 to come out! :)
